We do not have responsibility with content of this book.

Adeluna is a soldier. Five years ago, she helped the magic-rich island of Grace Loray overthrow its oppressor, Argrid, a country ruled by religion. But adjusting to postwar life has not been easy. When an Argridian delegate vanishes during peace talks with Grace Loray's new Council, Argrid demands brutal justice—but Lu suspects something more dangerous is at work.

Devereux is a pirate. As one of the outlaws called stream raiders who run rampant on Grace Loray, he pirates the island's magic plants and sells them on the black market. But after Argrid accuses raiders of the diplomat's abduction, Vex becomes a target. An expert navigator, he agrees to help Lu find the Argridian—but the truth they uncover could be deadlier than any war.

Benat is a heretic. The crown prince of Argrid, he harbors a secret obsession with Grace Loray's forbidden magic. When Ben's father, the king, gives him the shocking task of reversing Argrid's fear of magic, Ben has to decide if one prince can change a devout country—or if he's building his own pyre.

As conspiracies arise, Lu, Vex, and Ben will have to decide who they really are . . . and what they are willing to become for peace.
